Bayou Classic High Pressure Propane Burner
Donated by Tidal Tank - The Bayou Classic High Pressure Propane Burner produces heavy heat out of a cast iron element. This high pressure propane burner includes a full windscreen, protecting your flame from unwanted wind. This helps you obtain a crisp, hot flame. Use the Bayou Classic High Pressure Propane Burner with small stock pots and large stock pots. The flame on this high pressure propane burner is adjustable; therefore you can obtain a roaring flame or turn the flame down small enough to simmer a cup of coffee. The cooking surface of this propane burner measures 14 inches in diameter. The height measures 12 inches tall. It includes a high pressure propane regulator. The hose on the regulator kit measures 48 inches long. • 14 inch diameter cooking surface • 13 inch welded steel frame • 48 inch stainless steel braided hose • High pressure propane preset regulator with brass control valve • 360 degree windscreen protection • Wide leg design for stability

Mr. Heater Buddy

Donated by Louisiana Pigment - North America's Most Popular Portable Propane Heater! This patented radiant 4,000-9,000 BTU Liquid Propane heater connects directly to a 1 lb. cylinder and is the perfect solution for heating enclosed spaces like large tents up to 225 sq. ft. The expertly engineered size to BTU ratio is augmented with a fold down handle to give this heater maximum output while retaining a minimalistic footprint. A swivel regulator gives you the ability to adapt usage from a disposable cylinder to a remote gas supply with the purchase of a hose and filter. To light the unit, simply rotate the knob to pilot and push. Then the integrated Piezo sparking mechanism will take care of the rest. With the Oxygen Depletion Sensor (ODS) and accidental tip-over safety shut-off you can be sure that you will enjoy years of comfortable indoor safe heat. • 4,000 or 9,000 BTU per hour • For use with propane gas • Heats up to 225 sq. ft. • Single control start knob • Hi-Low heat settings • Swivel regulator • Fold down handle • Accidental tip-over safety shut-off • Includes Piezo igniter • Runs off a 1 lb. cylinder • Connects directly to a 20 lb. cylinder with optional hose and filter

Shimano Curado K Series CU200K Casting Reel - Right Hand

Donated by Setpoint - The new Shimano Curado K series casting reels feature new technology and construction that makes them the best Curado reels ever built by Shimano. Specifications: • Speed - 6.2:1 High Speed Model • Line Recovery - 26" • Bearings - 7 • Line Capacity - 155 yds.10 lb. test • Weight - 7.6 oz. • Right Hand Model • Features: • Micro Module Gearing • Hagane Body • SVS Infinity • CI4+ • Super Free Spool • Super Stopper Anti Reverse • HEG • Cross Carbon Drag • 6 - S-A-RB Ball Bearings • X-Ship: X-Ship provides improved gear durability. By supporting the pinion gear on both ends with bearings, the pinion gear maintains precise alignment with the drive gear. This means the gears will stay in the same position under the heaviest loads. The added benefit is that friction between the spool shaft and gear is eliminated, enhancing the casting performance with lighter lures, and allowing for longer casts. • SVS Infinity: Shimano's newest innovation in brake system technology, SVS Infinity provides easy-to-manage, consistent spool control and brake force on the new Curado I series baitcasting reels. With brake weights that use 'inner friction' against the raceway during the cast, SVS Infinity controls spool speed especially when using lighter lures, plus the external adjustment knob provides for quick, precise adjustments for either the conditions or when you switch baits. Combined with X-Ship Technology, anglers will experience precision cast control. • S3D: Shimano's S3D technology leads to significantly reduced spool vibration. By designing a balanced and uniform thin wall aluminum constructed spool, S3D creates an incredibly smooth feeling when casting and retrieving lures.

GoPro - HERO Session HD Waterproof Action Camera – Black

Donated by DNow - GoPro - HERO Session HD Waterproof Action Camera Capture high-quality video With resolutions of 1440p30, 1080p60 and 720p100 for crisp, clear footage. Auto Low Light mode adjusts frame rates based on lighting conditions For optimal low-light performance. Waterproof design Lets you capture your underwater adventures in stunning high definition at depths of up to 33'. Auto image rotation keeps things right side up Automatically adjusts the capture orientation so you don't have to adjust it in post-production. Capture 8.0MP photos and burst photos up to 10 fps Take sharp 8.0-megapixel still photographs suitable for cropping and enlarging, or hold the shutter button down for burst shooting up to 10 frames per second (fps). Turn your camera on and begin recording with the touch of a single button QuikCapture one-touch activation ensures you get the shot even when things happen fast. Built-in Wi-Fi and Bluetooth make it easy to edit, watch and share Use the GoPro app (download required) or Smart Remote (sold separately) to wirelessly transfer, watch and edit photos or video, and share them online. Protune delivers cinema-quality video Features manual settings for ISO limit and sharpness for more dynamic photos and videos. Tag key moments for easy reference while recording or playing back videos Use the HiLight Tag function on the Smart Remote or GoPro app to zip right to the spot you want to watch or edit. Wearable, mountable design lets you catch all the action from the first-person perspective Record the action as it happens — hiking, biking, skiing and more. Compatible with most GoPro mounts. Curved and flat adhesive mounts included. Also included with the camera a DNow bag, water bottle, knife, ink pens, golf balls and tee's Dual microphone system Automatically switches to the mic that will capture the best audio for reduced wind noise. microSD memory card slot Supports select memory cards for expansive storage capabilities (memory card not included). Included is promotional items from DNow.

Kershaw Leek Knife

Donated by Sulphur Sheet Metal - The Kershaw Leek just features SpeedSafe assisted opening. Keep fingers away from blade edge while closing. With its 3-inch blade, the Leek is a good-sized knife, but not too big. The slim design makes it easy to carry and its razor-sharp blade of high-performance Sandvik 14C28N means it can take care of a full range of cutting tasks. The blade is a modified drop-point, so it's a good slicing knife, while the slim tip gives it piercing capability and the ability to do detailed work. The Leek features the SpeedSafe ambidextrous assisted opening system. Whether you're left-handed or right-handed, just pull back on the flipper and the Leek's blade is ready to go to work. The Leek features a handle of pure stainless steel that gives it a clean, sleek look. For confident blade use, a super-secure frame lock keeps the blade locked during use and a Tip-Lock slider locks the blade closed when folded. The pocketclip can be configured for tip-up or tip-down carry and the handle is drilled to accept a lanyard.

Walker's Razor Series Slim Shooter Electronic Ear Muffs
Donated by Gulf Machine Shop - Walker's designed the Razor Series Slim Shooter Electronic Ear Muffs for hunting with firearms, as well as for shooting on the range. Slim Shooter ear muffs automatically shut off loud impulse noise to a safe NRR23dB, while amplifying conversation, range commands, and the sounds of approaching game with Omni directional microphones and HD speakers. The slim, low-profile ear cup design

minimizes interference with firearm stocks so you can shoulder your gun quickly and shoot instinctively. A padded headband on a metal wire frame provides all-day comfort and keeps the muffs in place during recoil. The Razor Series Slim Shooter Electronic Ear Muffs operate on 2 AAA batteries (included) and an external battery door provides quick access.

Gerber® Pursuit Knife Kit
Donated by Gulf Machine Shop - Gerber® Pursuit 3-Piece Hunting Knife Kit has all the cutting tools you need for big game hunting, as well as outdoor survival. The kit includes the Freeman Guide knife; featuring a 4" 5Cr15MoV stainless steel, drop point blade, a glass bead finish, and a full tang. The superb grip, made of TacHide™ textured rubber, provides a secure hold in all weather conditions. Large finger grooves with amble

jimping also keep the user's hand in place and protect it from sliding forward onto the blade. A formed nylon sheath is included. The Geber Sliding Saw is great for cutting shooting lanes and other camp chores. Lashing holes enable the user to attach it to a pole to extend their reach. The 6-1/2" precision ground, high carbon SK5 steel blade features a tooth pattern designed to cut wood rapidly without binding. The blade slides into handle for safe, compact carrying. The Gator Kukri machete is based on the traditional Kukri edged weapon of Nepal. Its weight forward design chops through wood quickly. A 12" blade made of tempered 1050 steel with corrosion resistant black finish, holds up to rough use, though is relatively easy to sharpen. The full tang handle with Gerber's renowned Gator grip is both super durable and provides an ergonomic, non-slip hold under any environmental conditions. The Kukri machete comes with a durable, riveted nylon sheath. The Gerber Pursuit 3-Piece Hunting Kit is lightweight and compact enough to carry in a day pack, and makes the perfect companion to have in a vehicle or ATV. All the cutting tools needed for hunting Makes a great outdoor survival kit Freeman Guide knife featuring drop point blade Sliding Saw with wood-cutting tooth pattern Kukri machete for powerful chopping.
